Ellie has 8+ years' experience in Employment Services and the NDIS, having worked in Disability Employment Services (DES), NDIS Support Coordination & Employment Services and the Department of Education, Skills and Employment.

Ellie passionately believes that everyone has the right to work and access services and supports to achieve their employment goals. She will use her extensive experience in the industry to coach, mentor, and guide participants to achieve their goals.

Supporting You

Ellie is a friendly, supportive, and knowledgeable employment advisor. She will work with you to create a plan that connects you from where you are now to where you want your employment goals will take you.

Ellie believes in a holistic approach to your supports and will work with your team to ensure you are well equipped and prepared for the transition into work and achieving both short-term and long-term goals.

Activities that Ellie can support you with include:

- ❖ Resume and job applications
- ❖ Interview skills and coaching
- ❖ Job matching with industries and employers
- ❖ Liaising with training organisations and services
- ❖ Superannuation, tax, Centrelink, and transport
- ❖ Setting up professional email accounts and voicemail
- ❖ Managing the transition into work - skills and strategies
- ❖ Many other employment related tips and supports
- ❖ Individual and group-based activities depending on your needs and preferences.
